

Are you looking for a special project in which to share your skills, involve your family or other group? At times some of our families need a little extra care and that's where you can become involved.

Consider one of the following and then contact the CLC office for more information.

- Weatherization of homes to make them more energy efficient
- Home repair/improvement
- Car repair/maintenance
- Purchase/repair of home appliances
- Education scholarship to trade school/community college
- Clothing
- Adopt-a-Family for short-term service

And then consider supporting Community Lifeline Center's special needs. There is always something that needs to be accomplished.

- 1% Lifeline Giver – commit to donating 1% of your income whether it be personal or business
- Plan and host a fundraiser benefiting CLC
- Additional storage space as our donation room is often overflowing with wonderful donations
- Cash donation for operating expenses & office supplies
- Have an idea of your own?
